**Federal duck stamps now available; purchase supports conservation**

Federal Migratory Bird Hunting and Conservation Stamps (Duck Stamps) are produced by the U.S. Postal Service for the U.S. Fish & Wildlife Service. There are two types of Duck Stamps; both support conservation.

**Federal Duck Stamps (\$15)**

Ninety-eight cents out of every dollar generated by the sales of Federal Duck Stamps is used to purchase or lease habitat for protection in the National Wildlife Refuge System. Duck stamps serve as a hunting license for hunting migratory waterfowl and an entrance pass for National Wildlife Refuge visitors.

**Junior Duck Stamps (\$5)**

Sales of Junior Duck Stamps support environmental education nationwide.
